Craft Space/Room Tin Organisers

1. Using your store card rub firmly on the "Bits & Pieces" labels.
2. Remove backing paper and line up on each tin. Apply and then rub again firmly
3. Remove transfer paper. Lightly rub over with our finger to ensure that the labels have adhered to the tin.

Christmas In July Snowman

1. Using your 120 grit sandpaper give the 3 blocks a really good sand.
2. Lightly dampen the spoung brush and wring out any excess water. Apply 2 coats of Raw Silk to the larger wooden block letting each coat dry in between.
3. Rinse out your brush. Give the other 2 blocks 2 coats of Coal Black, letting each coat dry in between. Distress each block to your liking around the edges.
4. Using your store card press firmly on the snowman face stencil. Remove backing paper and apply to the Raw Silk block. Pop the pouncer onto your index finger and apply coal black. Let dry and remove stencil.
5. Using your wood glue, glue the snowman together and let dry. Once completely dry use your glue gun and glue on your snowmans nose and holly.
