## Farm Animal Tea Towel

1. Using a hot iron, iron out any creases in your tea towel.
2. Taking your store card burnish over the Farm Animal Stencil. Remove the backing paper & line up & apply to your tea towel.
3. Remove the transfer paper carefully ensuring that all the letter inserts adhere to the tea towel.
4. Pop out some coal black from your previous DIY Surprise Box. Using the finger applicator pounce onto the tea towel. Less is best & repeat if you need too. Let dry.
5. Remove the stencil carefully, including all of the letter inserts. Then using an old tea towel or scrap piece of material place over the design. Using a hot iron heat press for a about a minute running your iron over the design. Be sure **NOT** to have your iron on steam setting.

## Baking Wooden Turner

1. Using your store card burnish the small stencil in your box.
2. Remove the backing paper & apply to the front of the wooden turner.
3. Using your coal black & finger applicator pounce onto your design. If you feel that you're going to go over the edges pop some painters tape around the edges of the stencil to create a bigger border. Let dry.
4. Carefully remove the stencil, including all of the letter inserts.
