Baking Apron

1. Using a hot iron, iron out any creases in your apron.
2. Taking your store card burnish over the Baking Stencil. Remove the backing paper & line up & apply to your apron.
3. Remove the transfer paper carefully ensuring that all the letter inserts adhere to the apron.
4. Pop out some white from your DIY Surprise Box. Using the finger applicator pounce onto the apron. Less is best & repeat if you need too. Let dry.
5. Remove the stencil carefully, including all of the letter inserts. Then using an old tea towel or scrap piece of material place over the design. Using a hot iron heat press for a about a minute running your iron over the design. Be sure **NOT** to have your iron on steam setting.
