VINTAGE FARMHOUSE TRUCK TRAY

1. Give the tray a nice good sand with 120 grit paper.
2. Firmly burnish the stencil back and front with your old store card.
3. Apply the Truck Stencil. Lightly apply Champlain using the finger applicator to the truck & words & let dry. Repeat if necessary. Let dry.
4. Gently remove the stencil.
5. Wax to seal. When cleaning be sure to use a damp wet cloth. Do not immerse in water.

WOODEN CHRISTMAS ORNAMENTS

1. Give the 3 pieces of wood a really good sand with 120 grit sandpaper.
2. Give each piece 1-2 coats of Coal Black. Let dry.
3. Apply each stencil to each block. Remove transfer tape.
4. Lightly apply Champlain using the finger applicator. Let dry.
5. Gently remove the stencil.
6. Cut up the jute in to 3 equal lengths. Then tie a knot in the two loose ends to form a loop. Using your glue gun dap a little onto the top of each block and apply the knotted end of the loop into the glue. Press firmly.

Now go and hang them on your tree or use them as some fun present toppers!
