- Scissors
- Wax
- Your favourite photos
- Glue gun

Farmhouse Photo Blocks

1. Using you're your 120 grit sandpaper give the blocks a really good sand.
2. Taking your sponge brush in your box, give the blocks 2 coats of Champlain. Letting eat coat dry in between.
3. Distress to your liking around the edges. Wipe down with an old rag.
4. Apply wax to seal.
5. Wrap the jute around the short edge on one block and the long side on another block and secure tightly in a bow.
6. Glue your paper flowers onto the bows.
7. Crop your photos to fit and slide your photos underneath.
8. Pop on your shelf or side table and enjoy!
